Dvar Torah: Moshe Raskind

In this weeks Parasha we see that the klal is seen much like the olive tree. The tree is beautiful as the olives develop and ripen. To use the fruit, the tree is shaken, and the olives fall. They are crushed, then pressed between big rocks. The resulting oil used for cooking, lighting and the first press used for the holy menorah.

Throughout history, our people have been shook, crushed and squeezed. Recently, antisemitic events are on the rise all over the world as well as in our own back yard. Though painful and scary these times seem to be, just like the olive, we as a people will transform into a holy people. Let us continue to support each other, to grow closer to Hashem each day and may our holy light illuminate the world.

Security:
Young Israel has initiated its program of volunteer security greeters controlling the door, screening those seeking entry and conducting counter-surveillance on Shabbos mornings. We need more volunteers to help the program continue, so please consider volunteering. If you would like to be trained to be a greeter but could not attend the class we can give you on the job training on Shabbos. To assist our efforts to protect our community against the real, serious and growing general threat to Jewish institutions, either as a greeter or in another function, please contact, marcjhess@hotmail.com.

Cherry Hill Police Department (CHPD) is offering to residents a **Citizens Police Academy**. The program will increase understanding of operational policies and procedures of CHPD and explore aspects of law enforcement. The program is open to any adult who lives in Cherry Hill and has no felony convictions or pending criminal actions at the time of application. It is an 8 week program meeting every Wednesday from 6:30-9:00 PM at the Cherry Hill Police Department. The program will run from April 1, 2020 until May 20, 2020. The class will meet on Tuesday April 7, 2020 instead of Wednesday April 8, 2020, due to Passover. Class size is limited to 30 people and there is no cost. Interested persons must complete an online application and return it to the CHPD to the attention of Sergeant Edward Walto, Program Coordinator or email the completed application to CRU@cherryhillpolice.com. To be placed on the waiting list for the next session of classes, call 856-488-7813 and leave your contact information.

Although this class does not involve tactical training, it is an excellent opportunity for civilians to better understand law enforcement and make themselves more able to understand and assist in security of the YICH community.

Rabbi's Endorsement:
Shul security continues to be an important matter in the Jewish community at large as well as for our own congregation. Security concerns must always be met with a two-pronged attack encompassing both the spiritual response of increased tefillah and Torah, as well as a physical response of increased security features to protect our Kehillah. If you're able and willing to volunteer to guard the entrance to the shul for a Shabbos morning time slot, please email marcjhess@hotmail.com if you are interested. Thanking you in advance for your dedication to the tzorchei tzibbur.
