### Security:

Young Israel has initiated its program of volunteer security greeters controlling the door, screening those seeking entry and conducting counter-surveillance on Shabbos mornings. We need more volunteers to help the program continue, so please consider volunteering. If you would like to be trained to be a greeter but could not attend the class we can give you on the job training on Shabbos. To assist our efforts to protect our community against the real, serious and growing general threat to Jewish institutions, either as a greeter or in another function, please contact, [marcrhess@hotmail.com](mailto:marcrhess@hotmail.com). Members of our security committee were also privileged to meet this week with Mr. Doron Horowitz, the SNJ Jewish Federation's new Regional Security Director. Mr. Horowitz, a decorated former officer and counter-terrorism operator of the Israel Border Police, with extensive US Jewish communal security experience, is available to assist our community in planning, training and other functions. We are grateful to him and the Jewish Federation for this assistance.

### Rabbi's Endorsement:

Shul security continues to be an important matter in the Jewish community at large as well as for our own congregation. Security concerns must always be met with a two-pronged attack encompassing both the spiritual response of increased tefillah and Torah, as well as a physical response of increased security features to protect our Kehillah. If you're able and willing to volunteer to guard the entrance to the shul for a Shabbos morning time slot, please fill out the questionnaire at the link below. Thanking you in advance for your dedication to the tzorchei tzibbur.

Rabbi Jonathan Bienenfeld
