"Secure Community Network, which coordinates security for American Jewish institutions, says antisemitic attacks, including vandalism and physical attacks, have increased 80 percent over the last month, spurred in part by Israel's war with Hamas earlier this month". <https://www.jta.org/quick-reads/biden-antisemitic-attacks-terrorizing-american-jews-must-stop>

With the decline of COVID and the increase in the general threat anti-Semitic violence in the US, YICH hopes to reinvigorate its security program. Volunteers are urgently needed in two main areas: 1. Security monitors on shabbos morning, and, 2. Assisting in using grant funds to purchase physical security upgrades.

The success of YICH in acquiring a large campus and having two buildings to use on shabbos mornings for main mnyan and children's programing also creates vulnerabilities.

If interested in helping please email your contact information to marc.r.hess@gmail.com. Separate zoom meetings for shabbos monitors and for grant workers will be held, both on Sunday, June 20, 2021 at 6:00 PM and 7:00 PM respectively. Please advise in which (or both) group you have an interest.
