**Security**  
YICH has been enjoying 100% perfect security at shul on Shabbos in recent weeks!!! But, God willing, the COVID19 pandemic will end one day soon. We will then resume services and also need to resume security operations. Unfortunately, it's not unlikely that the psychological stress of the pandemic, the related economic hardship and other issues will generate increased hostility towards the Jewish community and increase the threat to our shul and community (there are already indications of this noted on social media by government and communal security agencies). To volunteer to assist in protecting our community, either as a volunteer greeter/guard, or as an administrator, or both, please contact, [marchess@hotmail.com](mailto:marchess@hotmail.com).
