Pesach Notes

Birkas Ilanos - During the month of Nissan, a special bracha is recited when one sees a blossoming fruit tree, the text of which is printed in all standard siddurim. In an effort to help facilitate this mitzvah, The Rabbi would like to compile a list of known fruit trees in the area. If you are aware of any in particular, please inform the Rabbi.

Mishnah Berurah

On Wednesday, we will be starting with Sif Aleph.
